

## BOYS HI-Y CLUB HELD BIG BANQUET

High School Boys Entertain  
Girls Friends at the  
Y. M. C. A.

A very delightful evening was spent in the Y. M. C. A. auditorium last night when the members of the Boys Hi-Y club entertained their lady friends at their first annual banquet.

The room was very beautifully decorated with blue and white crepe paper streamers, formed in the shape of a canopy under which the table was set. The lights overhead were dimmed with the blue paper and the real light came from many candles placed upon the banquet table. Crab apple blossoms were also in evidence and their pale pink color blended most beautifully with the creamy white table cloth. Phil's orchestra played.

Sam Rock, president of the Hi-Y club, acted as master of ceremonies and he called upon L. L. Beers, the boys' secretary, for a word of welcome. Professor G. H. Colebank, of the high school, responded next with a fine toast. The orchestra was then asked to lead while every one present sang "Patches." The song proved to be a success. Harry E. Engle was next asked to recite, which was very much enjoyed. Mrs. Bohler, the girls' secretary, responded next with an excellent toast and assured the members of the Hi-Y club, on behalf of the girls present, that they more than appreciated the evening's entertainment.

Mrs. C. E. Jenkins sang "Twilight," by Lloyd, and sang as an encore "Un-til" by Sanderson. Several of the young people were called upon for impromptu toasts: George Cole, Sutton Sharp, Louise Johnson, Robert Morris, Mildred Martin and Pauline Boggess. The program was closed by the singing of "America."

Those present were: Sam Rock and Mary Smith, Sutton Sharp and Louise Johnson, Robert Morris and Margaret Lehman, Mr. and Mrs. L. L. Beers, Professor G. H. Colebank, Clifton Hall and Irene Petric, Mrs. George Bohler, Mr. and Mrs. Cash, Dr. H. H. Siler, Fred Martin, Mr. and Mrs. Victor Bird, Mr. and Mrs. D. S. Langell, Brooks Binn and Mildred Reed, Fred Boyers and Virginia Satterfield, Mahlon Henerson and Pauline Boggess, George Cole and Mildred Nuzum, John Helnick and Louise Himelick, Mrs. C. E. Jenkins, soloist and her accompanist, Mrs. Minor Dunham.

## GAINED TWENTY POUNDS WEIGHT IN TWO MONTHS

Strength Also Increased  
Wonderfully for Morgan-  
town Man After Tak-  
ing Trutona Only a  
Short Time.

MORGANTOWN, W. Va., May 13.—The gain of twenty pounds and his strength increased wonderfully since taking Trutona two months ago is the recent gratifying experience of R. C. Forman, a well known local man. The perfect tonic made him feel like a different man altogether, very shortly after beginning its use. Mr. Forman says:

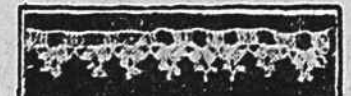

"My system has been in a nervous run-down condition for the past six months. My appetite was very poor and I could eat scarcely anything. What little nourishment I had would take would clog in my stomach and cause me to feel bloated. I often had spells of light-headedness and would sometimes suddenly fall over, no matter where I happened to be. Frequently after meals I would have vomiting spells. I was usually constipated and was so restless that it was hard for me to sleep at night. I noticed the good benefits after I had taken only one bottle of Trutona. I feel like a different man, my appetite has been restored and my bowels act properly. I eat anything I care for and the food is properly digested. It's easy now to see why I have gained twenty pounds in weight in the past two months, and any person who'll take my advice can do the same thing. I am confident that everyone who will take Trutona a fair trial will get results. My advice is, to try Trutona and get on your feet again as I have done."

Mr. Forman has taken Trutona and knows positively what it will do. He wants to help others by recommending the perfect tonic. As a recuperative agency for overcoming the after effects of influenza, pneumonia, deep colds and the like Trutona is without a peer. It is now being introduced and explained in Fairmont at The W. C. Crane Drug Co., and is sold in Huntington at N. S. Mathews & Co.'s Drug Store; in Cameron at Cameron Drug Co.; in Clarksburg at L. Harper's Drug Store; in Fairview at Fairview Pharmacy and in Gratton at Gratton Drug & Chemical Co.

## STOMACH UPSET?

Get at the Real Cause—Take  
Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

Have you a bad taste, coated tongue, poor appetite, a lazy, don't-care feeling, no ambition or energy, trouble with undigested food? Take Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without griping, cramps or pain.

Take one or two at bedtime for quick relief. Eat what you like. 10c and 25c.

been entertained so lavishly during the year by the organization. The dance was a leap year affair and the women and girls invited members of the Elks lodge to accompany them to the dance and after reaching the Masonic hall where the dance was held the women extended all the courtesies usually extended by the men to their partners. The Mason-Dixon seven furnished the music and from nine o'clock until past the midnight hour upwards of one hundred couples whirled away the hours to the delightful strains of music furnished by the Seven.

At about eleven o'clock an intermission was taken and a salad course was served. The committee in charge of the dance was composed of Meadames G. M. Wilshe, W. L. Andrews, Paul Hamilton, George March, Mark Keenan and C. C. Robb. The patronesses

were Meadames Brooks Fleming, J. Brooks Hutchinson, Morgan Chambers, James Edwin Watson, Jr., John A. Clark, George DeBolt, W. H. Conaway.

**Trees That Have Long Life.**  
Brazilian coconut palms live from 600 to 700 years, and the date palm from 200 to 300 years. On the Mount of Olives, Jerusalem, there are olive trees known to have been flourishing in 1929.

It straightens up the stomach, neutralizes excess acids, drives out accumulated impurities, gives nerve force, tones and invigorates the whole system.
